

Supporting Adult Cancer Patients

Dear Friend,

We welcome you to the Grateful Friends community for helping us support cancer patients. As two of the many who have been handed a cancer diagnosis, the founders – Gwen and Lee – know that while everyone’s cancer journey may be different, the fears and difficulties are similar. Grateful Friends was organized to provide support and unexpected joy to fellow cancer survivors and thrivers whether it’s gifting one of our signature Comfort Baskets™ to patients starting treatment or paying patients’ bills to keep the heat and lights on or giving them gift certificates for dinner, groceries or gas. We personalize the gift to meet each patient’s specific need.

We are planning a grand fundraiser: **A Special Evening with Grateful Friends** to be held at Danversport Waterfront on Thursday, April 16, 2020 from 6:30 PM – 9:30 PM.

Your donations go directly to funding our patient programs and our organization is fully supported by volunteer help only.

Here are some ways you can help:

- Ask about our event sponsorships
- Donate an item or service for our live or silent auctions
- Purchase tickets and attend our event
- Provide a gift card or supplies for our Comfort Baskets™
- Make a cash donation of any amount
- Volunteer your time and talents

Whatever you can do is greatly appreciated!

Most Sincerely,

Gwen Mahan Ryan & Lee Miraglia, Co-Founders
Rebecca Beckman, Event Chairperson
And the Volunteer Fundraising Team at Grateful Friends
